

EISENHOWER BUSINESS IMPROVEMENT DISTRICT

The Mission of the Eisenhower Business Improvement District (EBID) is to represent the business and property owners within the District and the public in promoting economic growth and development, the general welfare within and preserving and enhancing the function and appearance of the EBID.

The Vision of the Eisenhower Business Improvement District (EBID) is to enhance business and to promote improvements that will help local citizens, business operators and tourists experience an environment and character which better responds to the history of the area, thereby projecting a positive image of the Eisenhower Corridor as the center of commerce, learning and social activity for the area.
